

**R E M A R K S**

Careful consideration has been given to the Official Action of July 14, 2004 and the above amendatory action has been taken to place the application into condition for allowance.

In this respect, claims 1-9 have been cancelled leaving only claims 10-13 remaining in the application. The Examiner has indicated the allowance of claims 10-13 and therefore only allowed claims remain in the application.

The Examiner has noted that some claim limitations are not supported by the drawings. These limitations are contained in the claims which have been cancelled. The claims which have been allowed are supported by the drawings and no amendment thereof is necessary.

Since only allowed claims remain in the application discussion of the cited art is not relevant.

In view of the above action and comments, the application is now deemed to be in condition for allowance and early notice thereof would be appreciated.

Respectfully submitted,

---
